

# MW P&C Events & Fundraising Report

## Term 3 - 2022

MW Events Committee 2022: Stephanie Donohoe (C) ; Marina Daillecourt; Liv Pennie; Di Nash; Vicky Stokes & Bec Coulson.

Here is your events team, just missing the lovely Bec Coulson – we don't normally look this glam – as we are generally busy popping up tables, searching through memorabilia, cleaning out the fete room, chasing down sponsors and prizes, searching high and low for volunteers – and trying to come up with ideas on how to have “fun” at Manly West.

We are all volunteers, and we are all new to the P&C, having only joined during the pandemic for a variety of different reasons, but mostly as a distraction from home schooling and to have something to look forward to!

We have really enjoyed being able to deliver the centenary events for you this year! We are an inclusive and busy committee – always looking for new team members! Whilst we try our best to deliver events that everyone will enjoy and at accessible price points; we don't always get it right (as hard as we try) and would love to hear from you if you have any ideas or feedback, want to join the committee or if you would like to drive an event for MW. Please do get in touch!

The focus this year really has been on getting the community back together after the long lockdowns! With that in mind, the events that we have delivered to date have been **celebratory as opposed to fundraising in their nature. These events have been run at cost.** We appreciate that post pandemic, many families are just looking for some fun, and we hope that you have enjoyed the celebrations delivered this year to date:

## Buy a Brick Centenary Path

We have sold **over \$15,000 worth of bricks** at the time of reporting.

This has been quietly tracking along at each of the events delivered to date.

We will share the first visual drawings of the final location of the centenary path before the end of the term 3.

Bricks will be available for purchase through the **END OF NOVEMBER 2022 – with the opening of the centenary path expected to be scheduled early Term 2, 2023.**

## Manly West Centenary Gala – What a Celebration!

What fun we had on the 6<sup>th</sup> of August at the Manly Pacific, celebrating 100 years of Manly West! It was fantastic to see everyone dressed up and ready to enjoy a night on the dance floor.

So many people helped make the evening a success; we are incredibly lucky to have such a huge group of talented mums, dads, and alumni, who helped to bring the MW Centenary Gala together.

### Special THANK YOUs to:

## So, what's to come in 2022?
