

Principal P&C Report September 2022

1) **Education –Professional Learning**

- Staff are completing regular professional learning in a variety of Key Learning Areas. They are becoming familiar with new K-2 Maths and English syllabus and have now been able to give feedback on the 3-6 syllabus. Our staff have received excellent professional learning at MW and they are familiar with all the new terminology of the new syllabus and have a deep knowledge of some of the concepts.
- 15 staff have been completing the Lyn Sharratt Learning Suite Clarity modules.
- Learning Walks in classrooms K-6 using Learning Intentions and Success Criteria
- Visible Learning and Novice to Master with Writing continuing.

2) **Centenary Committee**-Thank you to the Centenary Committee this term led by Marina Daillecourt, Stephanie Donohue, Ashleigh Searle, Liv Pennie. The students and teachers produced posters of history after researching the history of the decades. MW Community and staff and students enjoyed the Education Week celebrations, open classrooms, performances, dancing and receiving the Centenary Coin. The P&C Gala Night was very successful with over 350 in attendance. It has been a team effort with parents, students and staff this term. We are now preparing for the Centenary Dance and Drama Production which will occur in Week 9 Term 3.

3) **AMU/Landscaping**

- Demountable -Music and BASC room has been renovated with new roof and painting. We should get new carpet as well in the coming weeks.
- Waiting for quotes for landscaping for Boyle St– parent Emily Pearce has drawn the design plan for this.
- Waiting for quotes for Buy A Brick fundraiser path at Griffith St entrance.
- Playground equipment concept \$110000 has been available for students and staff to comment. SRC has endorsed this plan.

4) **Communications** K-6 are continuing with Luisa Fryday (Parent Class Rep) and Marina Vice President P&C on Parent Reps, communication and concerns for parents and how to successfully approach school more easily. A flyer is being constructed and this is in draft form at the moment.

Julie and Sandra Coskinas attended the P&C finance meeting and asked for contributions for the Playground equipment, Buy a Brick fundraising Path and 30 Computers for Year 6 students.
