

Year 6 Activities - 2023 report term 2

OVERVIEW

The year 6 activities have officially been intergrated into the PandC structure for the first in 2023. Prior to this year they were conducted in an adhoc way with no official oversight of processes or procedures in place.

The year 6 activities from a PandC perspective include:

1. Running Election BBQS to fundraise for the year 6 activities.
2. Organising the YEAR 6 HOODIES
3. The year 6 YEARBOOK
4. The year 6 GRADUATION

The year 6 activities committee is split into sub- committees with each of the above 4 items noted above being a sub- committee of the Year Activities Committee.

1. BBQ Election

Held on the 25th March 2023 the BBQ was as a result of the state election. We were well supported by year 6 parents and students for the event. The lead for the BBQ was Alison Gracia who I extend a big thank you to on the PandCs behalf for all your hard work and industry.

We had a successful day making a healthy profit of \$4800.00.

There is the potential likelihood that this year 6 cohort will have a further BBQ to organise - dependent on the date for the upcoming referendum being announced. Currently information pertaining to the referendum is it will be held before the end of 2023.

2. Year 6 HOODIES

The sub committee did a sterling job in organising for all year 6 students to try on "sample hoodies" to ensure correct sizes requirements were established for each student. The print work was handled expertly by Louise McKay with a refresh to the design and new fonts used for the design.

Unfortunately the order received has been shown to have some size inconsistencies and with the help of Stephanie Lidbury we have managed to get a partial reorder for the missized hoodies. We anticipate that reorder will be with us later this week, and the sizing issues resolved satisfactorily.

3. Year 6 YEARBOOK

This subcommittee is getting an initial meeting organised and a request for photos has been made to parents to assist in the compilation of the yearbook. We are most thankful to the Whiteheads who have provided us with some great information and advice on how to get the yearbook published etc. Andrew and Katrina Whitehead were involved in last year's yearbook and we thank them for their ongoing support to Manly West PandC.

4. Year 6 GRADUATION

Lead by the wonderful Stephanie Donohoe the sub committee will be meeting this coming Friday afternoon to start working on the project and deciding on a theme for the event.

More details will follow throughout the year.

If there any questions please do not hesitate to reach out to me
